

Silvie is a Teaching Fellow at the CLAHRC Academy. She has a PhD in Health Sociology from the University of the Witwatersrand in South Africa, where she also lectured and tutored while conducting her research. Before joining UCL, she completed a Research Fellowship at the University of Michigan, USA and was the Research Lead at a child health charity in London, UK. Her research interests include management of chronic pain, digital health, and patient education, using qualitative, mixed methods, and translational research approaches
