

Are you tasked with carrying out or commissioning an evaluation, but would appreciate guidance on what questions to ask, what outcomes to look for, or how to plan for an evaluation?

This one day, hands-on workshop, run by the [NIHR CLAHRC North Thames Academy](#), addresses these challenges. It is aimed at staff from NHS Trusts, CCGs and Local Authorities. By attending, you will gain expert tips on how to design an effective evaluation, and have opportunities to consult with other delegates and facilitators about information directly related to planning your evaluation.

Having attended the course, delegates will broadly be able to:

- **Develop an evaluation question**
- **Apply a logic models and programme theory to address their evaluation questions and identify evaluation outcomes**
- **Design a plan for conducting or commissioning an evaluation**

This workshop is suitable for staff from NHS Trusts, Local Authorities and CCGs. It is not aimed at academic and/or researchers. **Delegates should attend the course with an evaluation in mind. They should have previously attended our “Introduction to Evaluation” course (in person or online).** As part of the course, some pre-programme preparation (approximately 3 hours) will be required.

All delegates will receive a certificate of attendance.

Cost – This course is free for staff working in NIHR CLAHRC North Thames partner organisations (please click [here](#) to see a list of our partners). There is a delegate fee of £250 for other attendees.

Registration – Please complete the registration [form](#) and email to clahrc.academy@ucl.ac.uk by **5pm, 30 August 2019**.

Please note, a cancellation fee of £100 will be charged to both partner and non-partner delegates in the event of non-attendance without notice after 5pm, Tuesday, 29th October 2019.
