

Are you an NHS lead with an interest in technological innovation?

Stay up-to-date with the latest news, products and services, events and opportunities from the innovation team at UCLPartners via a [newly launched newsletter](#).

UCLPartners is an academic health science work with partners across research, education and the NHS working to speed up the pathway from scientific discovery and medical innovation to clinical application in health and care.

As well as being aligned to the CLAHRC (and its imminent successor NIHR Applied Research Collaboration North Thames) it is the Academic Health Science Centre (AHSC) and Academic Health Science Network (AHSN) for our patch.
